

Red Sails Sports honors ten-year veterans

Peter de Hoop, General Manager of Red Sail Sports in Aruba had the pleasant task of treating two long time employees and a large group of birthday celebrants to an entertaining lunch at Benihana's in Palm Beach on Thursday, April 12.

As is the practice of Red Sail Sports, nine employees with birthdays in the month of April enjoyed a break from their duties to observe the antics of Benihana's chefs, who turn lunch at the Teppen-Yaki tables into a show. This month birthday boys and girls Maria Maduro, Angel Loefstop, Michel van Leeuwen, Juan Garcia, Giulle Santana, Jennyfer Rivero, Myra Tromp, Ina Boekhoudt, and Charine Lokey joined Suzy Curiel of Housekeeping and Mavis Maduro, Financial Controller as they celebrated ten years with the company.

According to Erlinda Lysner, Director of Human Resources for Red Sail, "Suzy is a dedicated associate that takes pride in being a member of RSS. She goes out of her way to lend a helping hand in the retail stores and enjoys assisting and helping the clients." Suzy describes herself as "an all around girl" ready to help wherever she is needed.

Mavis Maduro, who officially joined the company in 2002, but was their financial controller through the Hyatt since 1997, also received a beautiful trophy of recognition and a monetary bonus for her years of service. In the opinion of Mavis, "One working day is too short; I enjoy what I am doing so much I do wish that the days were longer." An employee with that attitude is always appreciated!

Peter and Erlinda offer their congratulations and gratitude to both Mavis and Suzy for their years of service, and a very happy birthday to all their employees.
